

BOMBAY CHOW

ABOUT US

BRINGING INDO CHINESE (HAKKA) CUISINE TO THE STREETS OF LONDON

The history of food in Bombay, now Mumbai, is closely linked to it's transformation from a fishing village to a megapolis. Migrants from all over the country settled in Mumbai with dreams of turning dust into gold as the city tranformed. Along with their aspirations, they brought their culinary treasures with them, and the Chinese immigrants of Chinatown in Kolkata were no exception. It's the perefct blend of the Hakka and traditional Indian cuisine that inspire the mouth watering dishes served at Bombay Chow.

Our exquisite meals are produced by authentic chefs, especially headhunted from some of the finest hotels in India. Our chefs possess advance knowledge of culinary techniques, as well as extensive kitchen experience, ensuring every bite you take retains the high quality of taste that we are proud to serve.

Our restaurants are located in Wembley and Northwood.
